Note: The GMT offset above does not reflect daylight saving time adjustments.

~~*~*~*~*~*~*~*~*

The objective of this meeting will be to discuss the Haynesville prospective study Quality Assurance Project Plan (QAPP) in detail. An agenda will be provided as we approach the meeting date.

I have included all individuals from our weekly conference call, however, I would ask that Bob confirm the individuals that he would like present from the EPA and E&E.

Please let me know if you have any questions.

Thank you,
Chris Hill
